Bureau Veritas Certification

BVC PRODUCT CERTIFICATE

Certificate No: ES026775-CPI-1

In application of the Bureau Veritas Certification procedure for the certification of INDUSTRIAL PRODUCTS, BVC has established that the products:

Recycled glass sand for water filtration
HI TECH FILTER MEDIA

Made by:

CAMACHO RECYCLING, S.L.

In the manufacturing plant:

PARQUE TECNOLOGICO DE CAUDETE, AVENIDA DEL VIDRIO, 10
02660 – CAUDETE – ALBACETE (SPAIN)

This product is submitted by the manufacturer to the factory production control and by Bureau Veritas Certification to its permanent evaluation and the continuous surveillance of the factory production control in accordance with the requirements established in the manufacturer's internal instructions: I13-07 "Instruction of Reception Sampling of Flat Glass Biome Edition 1" and I13-08 "Sampling Instruction. Acceptance criteria final product Biome Edition 5ª".

The analytical results of the samples taken from water treated with the HI TECH FILTER MEDIA filter medium comply with the provisions of RD 140/2003, which establishes the health criteria for the quality of water for human consumption.

This certificate remains valid while the product, the manufacturing conditions and production control have not significantly changed.

Initial issue date: 2010 / 08 / 11
Date of update: 2025 / 08 / 11
